

## **WATER COMPREHENSIVE POLICY AD HOC COMMITTEE**

November 14, 2019 @ 2:30 p.m.

### **AGENDA**

#### **1 NEW BUSINESS**

- A. Overview of historic Development/Water-Related Issues (Anna Italiano)
- B. Review of the City's Efforts to Respond to Stormwater Issues to Date (Courtney Christensen)
- C. Are there water problems in the City? Is there something that the City can do to ameliorate the issue? Potential solutions discussed at the October 28 meeting:
  - a. Green buffer zone on construction sites
  - b. Greenspace requirements
  - c. Drainage studies and drainage/retention systems: are they helping? What can we do to make them better?
- D. Future Topics Suggested for Discussion:
  - a. Review of other communities' responses to stormwater issues
  - b. Update of past projects with water-related issues
  - c. Best practices (local and national)
  - d. The natural stormwater system's original design: Should we try to maintain it, or try to find a different solution?
    - i. Grading
    - ii. Slopes
    - iii. Water movement

*All ad hoc Committee meetings are open to the public. The schedule of meetings is available on the City's website at [www.missionhillsks.gov](http://www.missionhillsks.gov).*
