

## WaterOne Customer

MISSION HILLS, KS 66208-2227

Re: **TD-25023: Belinder Rd – Tomahawk Rd to 70th Ter**

Dear Valued Customer:

WaterOne is investing in our infrastructure in conjunction with a City of Mission Hill's Street Improvement project! We'll be upgrading water mains in your neighborhood, and we wanted you to be in the know. We appreciate your patience as we work to ensure great water service to your neighborhood.

**Project Location:** Belinder Rd – Tomahawk Rd to W 70<sup>th</sup> Ter, W 68<sup>th</sup> St – 2701-2911 and W 70<sup>th</sup> Ter – Belinder Rd to Overhill Rd

**Project Timeline:** We plan to start as early as mid-January 2026. The project will take approximately 12 weeks to complete. Restoration will follow construction as the weather allows.

**Traffic Impact:** Lane closures throughout the project will be required. In addition, intermittent lane/road closures will be necessary in the area. Please follow the detours.

**Stay Informed:** Brief water outages of less than 4 hours will be necessary. To inform you of water outages in your neighborhood, please go to [www.NotifyJoCo.org](http://www.NotifyJoCo.org) or call 913-826-5555 to register your contact information and location preferences.

**Restoration:** You can contact the Restoration Team via email at [restoration@waterone.org](mailto:restoration@waterone.org), or by visiting [www.waterone.org/restoration](http://www.waterone.org/restoration).

Sincerely,

*Dana Williams*
